Your Continuing Preparation to Teach

For: graduates of the *PTI Leadership* training course

Schedule: The program meets three times per year (Thursday dinner to Monday lunch), and participants commit to one year, with the option to recommit subsequently for one year periods. All of the meetings are held at The Institute in Issaquah.

Program: In this program, group members experience continued personal growth and healing, focusing on the shock/trauma continuum, shadow work, Jungian depth psychology, and group dynamics. We also continue developing clinical skills including intuition, energy management, facilitation of altered states of consciousness, inclusion of spiritual and soul levels, and exploration of transpersonal realms such as conception, the womb, dreams, archetypal energies, death, past lives, and the interlife.

Fees: The tuition for the program is \$2000 per year (\$1750 discount for early registration – paid in full by December 12, 2011), in addition to travel and accommodations expenses. The tuition will be waived for each year in which you assist an Internship or *PTI Leadership* training. Tuition will also be waived or offset by any royalties paid to the Institute for *PTIs* taught during the year. For example, if you teach a *PTI* next year and the 10% royalty is \$1400, then your tuition in Mentorship 5 next year would be reduced to \$600, or \$350 (early registration).

CEUs: Participating in the Mentorship 5 program each year satisfies the requirement for Continuing Education units to maintain *PTI*[®] Leadership certification. Each workshop also provides 32 hours of continuing education units with NBCC.

Application: Let us know if you are interested in continuing your personal growth and professional skill building in this program. Complete the application and join us for the next step in your Wellness journey.
